

BUILDING HEALTHY FAMILIES

Sawyer Brown and his dad, Chase, try out the new bike Chase won at the Building Healthy Families Kid Fest Friday afternoon at Cloverleaf Hall in Enterprise. Building Healthy Families of Enterprise hosted more than 100 children for the event. The theme centered around bedtime stories. Children had the opportunity to peruse books; play Ring the Gack by throwing rings at a Dr. Seuss character that slightly resembles a moose; make puppets; and win prizes like bicycles and tricycles in drawings throughout the afternoon. Despite drizzly weather, kids also played in a jump castle and were allowed to pet a donkey and goat outside the hall. A kid-friendly dinner of hot dogs was provided.
